Thomas Ridley's Natasha's Law Solution

How-To-Guide

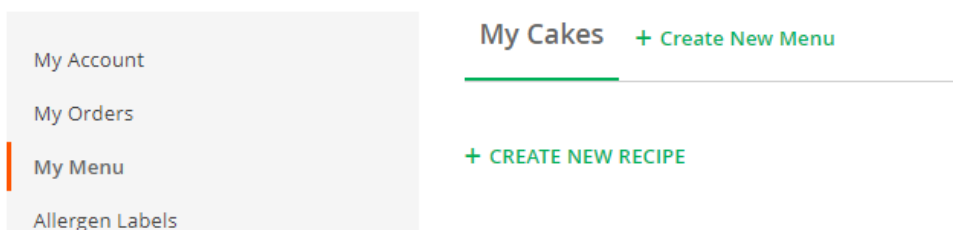

As your wholesaler, we are **here to help** with a full labelling solution on the items you purchase from Thomas Ridley. Our easy-to-use software highlights ingredients and their allergens as well as providing an area to add logos and product descriptions. All you need to do is ensure you've correctly recorded the ingredients and simply print out your labels.

Steps

- 1) Thomas Ridley's Natasha's Law allergen labelling solution is only available to our account customers, so to use it, you will need to make sure that you are logged in and that your Territory Manager has enabled it on your account.
- 2) Once logged in to your Thomas Ridley account click on 'My Menu' from the very top menu bar. Alternatively, you can select 'My Menu' from your accounts page.

- 3) If you haven't already created a menu, you can do so by selecting "+ Create New Menu". Every menu will require recipes. To create a new recipe, click on '+ Create New Recipe' and give your recipe a name. (If you already have a menu with a recipe you wish to use simply go to step 6.)

- 4) To add products to your recipe simply click the centre of your 'Recipe' folder, followed by '+ Add New Products'

UPDATE RECIPE SHARE RECIPE DELETE RECIPE

+ ADD NEW PRODUCTS

- 5) If you have done this correctly, you will now see a handful of your selected products in the 'Recipe' folder.

- 6) On the left you will be able to see a menu option titled 'Allergen Labels' in the grey box. If you cannot see this option, it may not be enabled on your account so please speak to your Territory Manager. Once in the 'Allergen Labels' section you will see your 'Menus' and within these you have your 'Recipes', select the recipe you need.
- 7) With your recipe open in front of you, you can now create and print your allergen labels. If, however you would like to add more products or products not supplied to you by Thomas Ridley you can also do this by selecting '+Add Product'. *If you have no further products to add skip to step 9.*
